

Last updated March 2022

Adapted from: **Saskatchewan Health Authority – Access to Translation Services**

Saskatchewan Health Authority has a translation service. You will need a unique access code, linked to your specific unit, to access the service. The chart below indicates the access code for each ED.

Department	Code
Royal University Adult Emergency	104
Saskatoon City Hospital Emergency	105
St. Paul's Hospital Emergency	106

More information on the service can be found at:

<https://www.saskhealthauthority.ca/intranet/departments-programs-resources/resources/translation-services>
